

# AMERICAN EDUCATION WEEK

*Spirit Week | Nov. 16 - 20*

During American Education Week, ISTA is highlighting a Red For Ed priority each day. If every priority were met, the future of public education would be brighter. To participate, wear the corresponding color for each day and share an image, message, and tag your legislator and ISTA on social media.

## MONDAY

### WEAR YELLOW

Improve working conditions. For years educators have been asked to do more with less - during the pandemic, this is at an all-time high.

## TUESDAY

### WEAR GREEN

Restore bargaining rights to put kids first on issues like class sizes, testing, learning conditions and more.

*More at  
[InvestInEducationIN.org](https://www.investineducationin.org).*

## WEDNESDAY

### WEAR RED

Pay teachers as professionals. It's time to raise teacher pay. Indiana teachers are still paid the lowest regionally.

## THURSDAY

### WEAR ORANGE

Protect public education funding. This has never been more important.

## FRIDAY

### WEAR BLUE

Reduce overtesting. Kids are facing learning losses with pandemic disruptions. Let's emphasize learning, not testing.
