

BACK HOME EVENT IDEAS

Below are suggestions to plan a local Red For Ed event in November. Share your local ideas at communications@ista-in.org.

- Socially distanced walks-in.
- Socially distanced plan-in/grade-ins.
- Socially distanced "rally" with signs/chants around a courthouse.
- Red For Ed demonstrations/presentations at school board meetings. Pack the room, have designated speakers, have the board pass a resolution in support of full funding, could be done jointly with admin/board if they have a good relationship.
- Socially distanced Red For Ed march through town with signs.
- Socially distanced "line the street." Suggestion of red streamers between people.
- Red For Ed car parade through town.
- Decorate cars in red and drive to all schools in the district. Use your Red For Ed license plate holders.
- Red For Ed car rally in a large parking lot with speakers.
- Postcard/letter writing parties in a large socially distanced space – addressed to legislators and mailed or delivered to statehouse.
