Proposed Bylaw Amendment #1

Amend Article XII, Section 2, paragraph D, subsection 1 as follows:

D. Dues

1. Active Teacher Members a. The dues for active teacher members will be computed as 1.4 percent of the Average Beginning Teachers Salary (ABTS) of the previous year rounded to the nearest dollar and as reported to the Indiana Education Employment Relations Board (IEERB). However, in no year shall such annual dues increase by more than \$10, unless otherwise decided by the Representative Assembly through a bylaw amendment.

For the membership years of 2021-22 and 2022-23 only, annual dues shall increase by no more than \$5 in each membership year.

Rationale (in 25 words or less):

Because of COVID-19 savings, ISTA is able to reduce the formula-based dues increase without significantly impacting ISTA's 2021-22 and 2022-23 expense budgets.
