

EDUCATORS RISING

August 2025

INDIANA

Hello Fellow Educators,
I am delighted to introduce myself as the new State Ed Rising Coordinator. My name is Amy Mitchell, and I am thrilled to collaborate with teachers across the state to enhance our educational programs. This marks my 23rd year of teaching Family and Consumer Sciences, and I am currently guiding students through the Education and Culinary pathways at Northeast Dubois Jr/Sr High School in Southern Indiana.

On a personal note, my husband, Dave, and I are blessed with two sons. We live on my family's cattle and grain farm, where we also lend a hand with the greenhouse operation. Public education is a passion of mine, as is the development of our future workforce. In my spare time, I enjoy creating adventures with my family through camping, swimming, gardening, traveling, and playing cards and board games.
