“ My Horace Mann insurance agent helped me receive over \$105,000 in student loan forgiveness. As a single mom of three adopted kids, I now feel confident I can help my children with college, something my parents simply couldn't afford to do for me. I feel like I have a new lease on life. ”

Misty Barton,
Muncie Southside Middle School

“ I am a member of ISTA and I have received help with student loan forgiveness. I applied for and received \$5,000 off my college loans. Without the help of Nathan Hillyard from Horace Mann, I would have never even known about this option. As a teacher with a family, the loan forgiveness was a tremendous help! ”

Ryan Sparrow,
East Gibson School Corporation

“ Horace Mann representative Ryan New helped us drastically reduce our monthly student loan payments. That income was able to help pay off our other loans and upgrade our home! Because of Ryan New's services, we are now able to take our three young boys on our first family vacation this fall! We are so thankful! ”
