ISTA Fall Receptions

Join your colleagues for an evening in your area with Superintendent Dr. Jennifer McCormick. The Indiana Department of Education (IDOE) is hosting teacher and community meetings across the state, and ISTA is hosting events for members to coincide with these events.

ISTA is hosting receptions for ISTA members as an opportunity to meet and greet Indiana's state superintendent and to further discuss the issues that are important to you! Refreshments will be provided.

The IDOE and ISTA events require separate registration. Please be sure to register for both events using the links below.

Note: All times are local.
