Improvement of Education

DRIVE FOR PUBLIC EDUCATION

ISTA Foundation license plates may be purchased at a BMV branch, online via myBMV.com, or at a BMV Connect kiosk. When you purchase a plate, you'll pay registration fees and taxes.

COMING JANUARY 2026

Show your pride in public education every mile you drive. A portion of each plate sale funds scholarships and grants for current and aspiring Indiana educators — an investment in the next generation of teachers who will shape our state's future.
