

# The ISTA Foundation Proudly Announces the 2020 Scholarship Winners

*The ISTA Foundation is a 501(c)(3) charitable organization dedicated to continuing education and the training of teachers and other school personnel. The Foundation promotes public education by engaging community partners and sharing the success of Indiana's public schools. It provides scholarships to children who are dependents of ISTA members. Each ISTA member contributes \$1 to support this important foundation.*

### Educator Scholarship

Recognizes dependents of ISTA members who are pursuing a degree in education. The scholarship is based upon academic achievement and leadership as expressed through co-curricular activities and community involvement.

**Emma Levi, Mount St. Joseph University**

### Career Scholarship

Recognizes dependents of ISTA members and is based upon academic achievement and leadership as expressed through co-curricular activities and community involvement.

**Jordyn Livesay, Indiana-Purdue University Indianapolis**

### Damon P. Moore Scholarship

Awarded to an ethnic-minority public high school senior who plans to pursue a teaching certificate. Moore, an African-American educator, served three terms as president of ISTA. During his tenure as president, Moore made significant contributions to the growth and development of ISTA. He continues to be a positive role model for young minorities aspiring to enter the teaching profession.

**Mykah Coleman, Undecided**

**Cristian Dominguez, University of Southern Indiana**

### Justine M. Harrell Memorial Scholarship

The Justine M. Harrell Revocable Trust made a contribution to the ISTA Foundation for the purpose of providing scholarships to high school seniors with a desire to become teachers in Indiana.

**Rebecca Mattson, Undecided**

### Louis B. Russell Scholarship

Awarded to an ethnic-minority high school senior who endeavors to further their education in the area of industrial arts, vocational education or technical preparation at an accredited post-secondary institution. Russell was an African American industrial arts educator who acquired international recognition after he became the world's longest living heart transplant patient.

**No recipient for 2020**
