

## ISTA UniServ Intern Program Curriculum

Interns are expected to not merely complete the outlined curriculum, but be an active participant, when deemed appropriate by the UniServ Director or other Association professional staff mentoring at the time. It should also be noted that some of these activities may require some overnights and Saturdays. Based upon need and availability, more activities may be added to the list.

*Unless otherwise stated, the expectation is the intern will attend trainings, meetings, etc. with locals that are OUTSIDE of their own local. If you are required to attend more than one of the same types of events (i.e. service area meeting), every effort should be made to not attend those events in the same local. Spread your experiences to as many different types of locals as possible.*
