

The ISTA Foundation is a 501(c)(3) charitable organization dedicated to continuing education and the training of teachers and other school personnel. The Foundation promotes public education by engaging community partners and sharing the success of Indiana's public schools. It provides scholarship support for children who are dependents of ISTA members. Each ISTA member contributes \$1 to support this important foundation.

ator Scholarship

dependents of ISTA members who are pursuing a degree in education. The scholarship is based upon academic achievement and leadership as expressed through co-curricular activities and community involvement.

Dean Ewin, Undecided

er Scholarship

dependents of ISTA members and is based upon academic achievement and leadership as expressed through co-curricular activities and community involvement.

Katherine Grabowski, Marion University

Damon P. Moore Scholarship

Awarded to an ethnic-minority public high school senior who plans to pursue a teaching profession. Mr. Moore, an African-American educator, served three terms as president of ISTA. During his tenure as president, Moore made significant contributions to the growth and development of ISTA. He continues to be a positive role model for young minorities aspiring to enter the teaching profession.

Lydia Carl, Ball State University

Justine M. Harrell Memorial Scholarship

The Justine M. Harrell Revocable Trust made a contribution to the ISTA Foundation for the purpose of providing scholarships to high school seniors who have a strong desire to become teachers in the state of Indiana.

Emily Duckworth, University of Evansville
