

RED FOR ED ACTION WEEK

WEEK OF APRIL 19

MONDAY JAM THE PHONES

Call your legislators using our easy advocacy program. Let's fill lawmakers' voicemail with messages supporting public schools. Take action at ista-in.org/takeaction.

TUESDAY FORWARD TO FIVE

Share our calls to action with at least five of your family and friends this week. Let's fill lawmakers' inboxes with messages supporting public schools. Take action at ista-in.org/takeaction.

WEDNESDAY RED FOR ED ACTION IN YOUR COMMUNITY

Standing up for public schools back home is just as important as actions taken at the Statehouse.

THURSDAY SHARE YOUR STORY

Leverage social media. Share your story on why public schools need more resources and educators need competitive salaries. Tag @ISTAmembers and your legislator.

FRIDAY SAY THANK YOU

Post thank you messages to legislators who voted to support our kids, our schools and educators.
