

Teacher Voices for Kids

It's better for both students and educators when teachers have a voice in school conditions. It's time to restore teacher voice in improving school conditions. Educators should be allowed to work together through their union to bargain contracts that let them do their jobs safely and well.

Teachers Can Only Bargain...

Restore Teacher Voice in...

Salary & Wages

Health & Safety

Improving learning and working conditions to keep kids and staff safe.

Salary & Wage-Related Benefits

Benefits such as health, dental, vision, paid time off and retirement.

Class Sizes

Limiting class size to improve teacher-to-pupil ratios for improved instruction.

Prep Time

Securing time during the work day to prepare lessons and grade work.

Join the **Red For Ed** movement
to restore bargaining rights
for teachers.
