

# YOUR ISTA MEMBERSHIP AT WORK

Membership means less worrying for you and more action from us.

Indiana  
State  
Teachers  
Association

## ADVOCACY

---

ISTA activated 20,000 educators and advocates for the **Red For Ed** Action Day, and the advocacy for **Red For Ed** priorities will continue. ISTA's public affairs team is in the Statehouse working for you to preserve and advance pro-public education policies and funding for public education.

## REPRESENTATION

---

UniServ staff represent educators across the state guiding local associations through complex federal and state regulations to find the best solutions for our members.

## LEGAL SUPPORT

---

ISTA protects educators' rights and ensures due process for our members. Successful challenges to policy changes and court rulings maintain these rights.

## PROFESSIONAL LEARNING

---

ISTA offers professional development for new and experienced educators or those wishing to accelerate their skills. Conferences, workshops and online resources complement professional learning for all career stages.
